Kia ora koutou NCS community members,

I do hope every parent is making an effort to vote this year. Your vote could have a major impact on who is charged with governing the country and in particular, who will hold the purse strings for funding education over the next 3 years. Please note that Newton Central School will be a polling booth station this Saturday.

Also, a big thank you goes out to everyone for supporting their children in the Spellathon. We have had a lot of sponsorship money come in this week and we're very thankful to Richard Joe of XIA, www.xia.co.nz, on 82 Newton Rd for their sponsorship of the fantastic Lion and Panda hats for every child who brings in \$25.00 of sponsorship or more. Furthermore, we'll be providing Pizza parties on the last day of term for:

- The class who has the highest percentage of students handing in the sponsorship money
- The class who got the highest number of correct answers in their class
- The class who raised the most money

We will announce the winners on Monday so please bring in your sponsorship by Monday lunchtime. Special recognition will also go to those who have worked hard to maximise their sponsorship.

Please note that next week we will be doing a stocktake of both the Library and Home Readers. Therefore no readers will be sent home next week. We ask that all families search through your house and if you have any school readers at home that you bring them back to school next week.

Applications for positions in our special programmes (Awahou & Te Uru Karaka) for 2018 close on September 29th. If you know of anyone interested in these programmes, please encourage them to contact the school. The ballots for our mainstream classes will close at 3.00pm on October 18th, 2017.

Finally, we have noticed some children arriving at school well before school begins at 8.55am. We do not have anyone on duty prior to school beginning and it is a health and safety risk having children on school grounds so early. Please do not drop your children off at school prior to 8.30am.

Ngā mihi

All lost property will be taken off site on the last Friday of this term. Please check the lost property cupboard for any lost belongings.

YUMMY APPLE STICKERS AND LABELS

The promotion for this year closes Friday 29th September. Please send in all your stickers by this date. Our school receives sports gear for this promotion.

Thank you to those families who have sent in sticker sheets.

LAST DAY OF TERM

School will end for Term 3 on Friday 29th September at 3pm and commence for Term 4 on Monday 16th October at 8.55am.

TE RA Restorative Practice is a relational approach to school life grounded in beliefs about equality, dignity, mana and the potential of all people. The Positive Behaviour for Learning (PB4L) Restorative Practice model focuses on building and maintaining positive, respectful relationships across the school community and offers school staff best-practice tools and techniques to restore relationships when things go wrong. By building and maintaining positive, respectful relationships within a school, staff to staff, staff to student and student to student, issues are more easily managed.

TRAVELWISE

The school is very excited to be hosting the annual '**Lewis Eady Concert**' tomorrow in the Te Whare Tapere at 1pm. This will be a showcase of all the hard work the students, Max and Chris have been doing over the year.

The Inner City Schools Netball Tournament was held at the AMI Netball Courts, Northcote today. Well done to our 3 teams of Yr5 & Yr6 students who represented Newton Central School.
