Dear Newton Central Community members,

Welcome back to Term 2! It's been great to see the children back with smiling faces and eagerness to learn, despite the cold start. We have many activities happening throughout this term so please keep up to date by regularly reading our school newsletter.

In regards to fundraising, we are continuing to plan for our Fia Fia day, scheduled for 2nd December 2017. We have another planning meeting tomorrow, 9.00am in our staffroom and would love to have parent involvement in the planning. Please come along if you can.

Also, we are beginning to make plans for our Art Exhibition, which is scheduled for Week 2 of Term 3. We are looking to make this event bigger and brighter than ever before and each class is working on a collaborative piece to be auctioned on the evening. We have a lot of creative people in our community and we would value your input. If you would like to be part of the planning committee for this event, please contact [Maryanne](#) to register your interest.

Wishing everyone the very best for the Term.

Ngā mihi nui

BACK 2 SCHOOL - TRAVELWISE

A big thank you to all those families whose children walk to school

By encouraging your children to walk to school, you are:

- Protecting the environment
- Reducing traffic congestion in our community
- Improving the safety of our neighbourhood

You are also providing your children with important opportunities to:

- Participate in regular physical activity
- Learn road-sense skills
- Develop independence
- Get to know their community
- Improve their social skills

You are making a big difference for your children, your community and your planet. A big thank you goes out to our parent volunteers of the Walking School Bus route from Nixon Park. We are still going strong despite the chilly mornings this week.

Thank You!

RESTORATIVE PRACTICE

In the recent holidays kaimahi undertook professional development training in using restorative practice. This approach fits beautifully with our school values T.E.R.A (ask your kids what they are) and with our PB4L school wide practice. Over the rest of the year we will be sharing some gems from the training and organise opportunities for you to learn more about Restorative Practice for at home.

- Right place, right time, doing the right thing
- I win and lose with grace
